

Beloved,

Thank You!

We want to thank you for praying for us, our family, our ministry and supporting our work for the Kingdom of God. Your prayers made a difference as we ministered in many different churches in England, Slovakia, Poland, Germany and the island of Tenerife in the Canary Islands.

It is a privilege to be able to serve God's purposes among His people in these countries. We know we could not do this without you, without your prayers, your love, your friendship and your financial support. Everywhere we minister, we carry you in our hearts, wishing you were with us to experience for yourself what the Lord does in the lives of His precious people. **Every time we are thanked, we know that they are thanking you also.**

The Holy Spirit continually imparted His wisdom so that we were able to impart His marvelous counsel to the many new and veteran leaders we had personal time with. His wisdom and counsel, specific and strategic for each unique situation, was a significant step in **the establishing of new ministries and new churches and taking existing ones to new levels with new direction.** To watch His light shine in their eyes as they received exactly what they needed is so wonderful.

While ministering in an inner-city church in Liverpool, we received a **very encouraging testimony** about how the wisdom the Lord is giving us is having significant influence. A newly ordained pastor there whom we counseled previously, shared how our guidance had helped him make the decision to go into the ministry. **He said that the wisdom God gave us for him played an extremely important role in changing his thinking at a very crucial crossroad moment in his life.** It enabled him to take the step of faith that has now born the fruit of a life in full time ministry for the Kingdom of God.

The words we all speak can truly have a life changing effect on others, either for life or death (Prov. 18:21). Let us always be sure **we are speaking life to one another**, even when we have to bring correction or rebuke.

NEW VIDEOS

Before we left home on June 29th, the Lord strongly directed me to get a video camera and **film all of my messages.** We have been doing that – Janet is getting lots of experience as a “videographer.” We will be editing them and putting them on our new website (which is coming along nicely) and some on YouTube, and of course also on DVD's. We will let you know when they are available.

MINISTRY IN ENGLAND

We began this tour of ministry on July 1. Everywhere we went we heard the Lord calling His church to get free from the lies, deceptions and oppression of the spirit of religion. **He is challenging His shepherds to make disciples, not placate churchgoers, and He is similarly challenging His people to be authentic disciples.** The challenges we all face and will increasingly face in the future demand that we all rise up into our callings and ministries to serve God's present prophetic purposes. Beloved, church as it is generally practiced is coming to an end. God is moving through the Body of Christ stirring hearts everywhere. People are dissatisfied with just another church service in which the worship is controlled by the clock, the preaching is compromised by fears of offending people, and the fellowship is superficial. **This dissatisfaction is the Holy Spirit breaking up the**

nest of religion that men have built, and is calling forth His body to rise up with eagle's wings and mature as His Holy Bride.

UK "Panim el Panim"

Our UK "Panim el Panim" gathering was **another superb time of encounter with the Holy Spirit**. This year the Lord unfolded a pattern of prophetic intercessory acts as we prayed for worship teams and ministries, emerging young men and the older men discipling them, and for a release of the arts and new models of ministry.

As we blessed Pastor Bill and Julia, who were celebrating their 40th wedding anniversary, massive prophetic intercession for marriages and families broke forth.

At one point the Lord told me He wanted to increase everyone's **sensitivity to the Holy Spirit**. He showed me that I was to **anoint everyone's fingertips**. This was something I had never done before nor witnessed in any other meeting. It was a very powerful moment that opened up a door for personal prophecy to flow. I personally began to move in that anointing in a way that I had not for a long time. It was really fun! And best of all, **we could see people's lives change as God spoke clearly and personally to them**.

For those of you who have been to a "Panim el Panim" gathering, you know how difficult it is to put into words what the Lord does at those special times. For those of you who have never been to "Panim el Panim," we strongly encourage you to make sure you attend next year's gathering. You can see pictures from the gatherings on Facebook, just type Kingdom Ministries International into the search box. **For 2011, the US Panim el Panim will be April 1-3, and the UK Panim will be July 8th-11th.**

Revelation TV

On August 3rd I was the guest on the **Revelation TV "Live at Nine" program**. The Lord gave me a very clear and direct word **confronting the Spirit of Religion, exposing replacement theology for the lie that it is, and refuting cessationism (the belief that the gifts of the Holy Spirit no longer function)**. For the next several days, **the phones did not stop ringing** with people wanting to order the CD's I offered on those subjects.

There were so many people who were saying how frustrated they were with their churches because they were influenced by those kinds of theologies and demonic spirits. I received one email from someone with a BBC address. He asked one question, "Did you really mean to say that all churches that are cessationist are in error and of the devil?" I answered with another question (which is a very Jewish thing to do, answer a question with a question). **"What spirit do you think motivates a theology that rejects the Holy Spirit?"** I did not get a response, but I imagine the writer got the point!

You can order a copy of that dvd, or you can watch segments of it on the Revelationtv.com website, click on this link, <http://www.revelationtv.com/videos/1/>, and scroll down until you find my interview, or if the link does not work copy that address into your browser, scroll until you find it and enjoy!

Kingdom Ministries International (KMI)

Many of you have asked about how you can align yourself, your ministry or church with us. As a first step you should **read our Kingdom Ministries International brochure on our website, www.HMMin.com**. Just click on

the button that says KMI. This booklet explains our understanding and vision of apostolic and prophetic ministry. After that, give us a call.

MINISTRY IN EASTERN EUROPE

SLOVAKIA

On August 10th, after six weeks of intense ministry in England, we flew to Bratislava and then drove to Zilina, Slovakia, where I spoke at a conference focusing on the King and His Kingdom and did a radio interview for a Christian station. We also had excellent times of meeting new leaders, including **Dr. Naim Khoury**. He is the pastor of the First Baptist Church in Bethlehem, Israel, and oversees churches in other predominantly Arab communities there. He is truly an amazing servant of the King. **His church has been bombed 14 times and he was shot at four times and hit once. But he laughs at all of this and continues to serve the Lord. Amen!**

AUSCHWITZ

From there we drove to Auschwitz to speak at the annual "Holocaust to Hope" conference and lead another **"Communion at the Selection Point"** service in the Birkenau death camp. These are always deeply profound times of ministry and we sincerely appreciate your intercession for this aspect of our ministry in particular. This year we lead the "Communion at the Selection Point" service with Pastor Khoury. **This was truly a picture of the redemptive work of Messiah Yeshua (Jesus) and a powerful demonstration of the "one new man" - as a Palestinian pastor and a Messianic Jew celebrated the only power on Earth that can bring peace, not only to the Mideast but to the entire world.** To proclaim His victory at this horrific place of death is to prophetically declare that the devil's plans to destroy the Jewish people will be foiled and that one day all the nations will experience God's redemption.

We also met **Rick and Dafna Wienecke** from Arad, Israel. Rick is a sculpture who has **created an amazing work called the "Fountain of Tears."** This is one of the most moving sculptures we have ever seen. It is seven life sized works that **represents a dialogue of suffering between Holocaust survivors and the seven last words of the crucified Messiah.** To really understand this, you can visit their website, www.castingseeds.com, click on videos, and then on the Fountain of Tears.

Earlier this year, after a long and hard struggle, we finally put in writing what we experienced the first time we led a "Communion at the Selection Point" service in 2005. **You can read this booklet on our website, www.HMMin.com.** Just click on the left side where it says "Communion at the Selection Point." You can also download it and print it.

GERMANY

After Poland, we spent two weeks ministering in Germany. **The Lord continues to open new doors for us there.** We met with many pastors in Berlin and preached in several churches. (All of these meetings were also videoed.) We met with a messianic Rabbi who wants to introduce us to his colleagues around the country, as well as minister in his congregation next year and also teach in his Bible school. We also did meetings in Cottbus and Dresden. Then we flew to Dusseldorf and again met with pastors and ministry leaders in and around that city, who opened their churches to us for future ministry. During one of the times of meeting with a Pastor, **the editor of the German magazine, "Charisma" joined us** and after reviewing briefly the "Communion at the Selection Point" booklet, asked **if he could print it in the magazine** as a run up to next

year's ministry. This magazine reaches almost ½ million **German believers**. So please pray for all the Lord wants to do with our ministry in Germany.

I believe that these expanding opportunities to minister to the Body of Christ in Germany are a fulfillment of a prophetic word I shared at the **"Berlin Declaration Conference"** in 2009. Let me explain. On **September 15, 1909**, a conference was held in Berlin where leaders of the evangelical church **made an infamous declaration rejecting the ministry of the Holy Spirit** that was breaking out in churches in Germany, similar to the revivals that were breaking out in Azusa Street and in Wales. **This declaration effectively banned the Holy Spirit from Germany**. This opened the nation to all sorts of demonic occultist beliefs and practices that eventually led to World War I and then the rise of the Nazis, World War II and the Holocaust.

On September 15, 2009, **exactly one hundred years later**, many leaders of the Body of Christ in Germany gathered in Berlin **to repent and renounce and reject the Berlin declaration and welcome the "Heiliger Geist" - the Holy Spirit - back to their country**. I was privileged to be there to join with our German brothers and sisters in praying "Kum Heiliger Geist" – "Come Holy Spirit." As part of the repentance, the leaders asked for any Jews to come to the platform. I joined a small group on the platform and received their repentance and expressed the forgiveness of the Lord to them.

Then I had an opportunity to declare this to the entire gathering: "God's original intention for the Body of Christ in Germany was hijacked by the enemy which brought much destruction. But because of your repentance, God will fulfill His original intentions for the relationship between the Body of Christ in Germany and the Jewish people."

God has put a word of blessing in our hearts, as Jewish believers, for the Body of Christ in Germany. Because of this He is opening many doors for the word He is entrusting to us to be proclaimed there and it is being warmly received. Please keep this new dimension of our ministry in prayer.

TENERIFE

We then went to the island of Tenerife, one of the Canary Islands (off the northwest coast of Africa) where we helped one of our dear friends and disciples. He had been asked to pastor a congregation there. He had a vision to take them from where it has been as a "traditional church" and transit it into an expression of the Kingdom of God. The time of transition had many challenges and difficulties, and in the end the "old guard" resisted His message of Jesus as Lord and them as His true disciples. They wanted the religion they were comfortable with and in control of and rejected his ministry among them.

Now **he has a vision to plant a new church** there that will be an authentic expression of the Kingdom of God. It is very exciting to have an opportunity to work with him as the Holy Spirit brings the Body of Christ there into new understandings of what it means to be a fruit bearing disciple of the Kingdom of God.

Finally we want to **again express our gratitude to you for your financial support** for this ministry without which we would not be able to do it. Much Shalom and Many Blessings as you serve the King!
